## Our Lady of Sorrows Catholic School News

### MAY VIRTUE OF THE MONTH: COMPASSION

*Quote of the month - "Jesus saw her weeping...his heart was touched, and he was deeply moved." **John 11:33***

For the month of May we will be focusing on the virtue of COMPASSION. Our quote is from John's Gospel, "Jesus saw her weeping...his heart was touched, and he was deeply moved." John 11:33 True compassion is not always easy to practice as in the words of Jean Vanier, "compassion asks us to go where it hurts, to enter into places of pain, to share in brokenness, fear, confusion, and anguish." Who wants to go there when spring has finally arrived and the sun is shining down on us? This is all the more reason to show our compassion for those who cannot share in the light.

## CATHOLIC EDUCATION WEEK

At the heart of every Catholic school is joy. Our faith-centered school communities nurture students in the hope and love of Christ, the source of all joy, playing an integral part in shaping not only the intellectual development but also the spiritual and moral foundations of the young people entrusted to us.

To celebrate this special gift we will be engaging in various activities that highlight who we are as a Catholic Community. Stay tuned for further details.

## EQAO

Please note that the Grade 3 and Grade 6 EQAO Assessment will take place the week of May 25<sup>th</sup> to June 5<sup>th</sup>, 2015. All students in Grades 3 and 6 will write the test on these days and attendance is mandatory. Please make every effort to avoid booking appointments during this time period.

## STUDENT FOOTWEAR

The safest shoes for students are running shoes or good walking shoes. In warmer weather, because of their age and maturity, **Intermediate students have permission to wear sandals or flip-flops. Students from Kindergarten to Grade Six are required to wear running shoes or walking shoes.** This reduces foot injuries in younger students.

## FAMILIES NOT RETURNING TO OUR LADY OF SORROWS - SEPTEMBER 2015

This is just a gentle reminder to all families that if there is anyone who will **not** be returning to OLS for September 2015, (excluding our grade eight graduates), it would be appreciated if you could confirm that information in writing as soon as possible.

## CHAIR'S REPORT

Dear Parents,

I hope that you and your families are enjoying this slowly warming spring.

The last month has been a busy time for CSAC members, and there is lots to report:

### Parent Survey Results

Thanks to the 263 of you that filled out the OLS parent survey. With 577 families at our school, this is a 46 per cent response rate. According to my non-scientific research (aka Google), the average online survey has a 25% response rate, so we did not do too badly. CSAC committees are planning to use the survey results to guide decisions this and next year. I hope you all have had a chance to review the survey results, which we circulated by email last week.

### Showcase committee

Thanks to Michelle Montemurro, Elisabeth Bonaldi and the rest of the showcase committee, whose hard work has been paying off. Virtue street signs are now up in the school, and we have high hopes that the show cases will be installed before next fall.

### Parent Social at Crooked Cue

Some mean ping pong and good conversations were on display at the Parent Social at the Crooked Cue several weeks ago. Many thanks to Rose Silva, Grace Wu, Julie Tricario, Eva Marie Moffat and other members of the social committee for organizing the

night. Tickets sales were higher than expected, and I suspect may be higher again next year given the amount of fun that seemed to have been had that night.

### **New Parent Council Bylaws**

We are hoping to ratify the draft bylaws prepared by the Bylaw Committee at our April 29th meeting. Please take a look at them, and the Bylaw Q & As (circulated last week by email), before the meeting and let us know if you have any questions or comments.

### **Volunteers Needed**

#### **1. One-off Jobs**

Parent volunteers are needed for a few tasks, and both can be done outside of work hours - something some of you requested in the survey! If you can help with either, or would like to be involved in something else, please email me at [jenniferacsac@gmail.com](mailto:jenniferacsac@gmail.com).

We still need a few parent volunteers for the **Election Committee**. Duties include meeting by phone or in person this year to plan for the election in early September, administering the election of Parent Council members at the September AGM, and the election of executive at the first parent council meeting. Guidelines are available.

The School Beautification Committee can also use some **help with planters and cleaning up/planting the garden** in the next few weeks.

#### **2. Pizza Lunch Chair for 2015/16 school year**

We are looking for someone to organize the pizza lunch sales next year. Our outgoing chair, Sonia Ng, has done a fantastic job redesigning the system this year, and the templates she created will be available to

help the new chair.

The pizza lunch chair would be in charge of coordinating our school's pizza lunch program which is currently being offered in our school every two weeks. The pizza program is an important fundraiser for the school and is projected to make approximately \$20,000 for our school this year. With the assistance of many very helpful volunteers the pizza chair would be in charge of preparing the class order lists, ordering the pizza and juices and overseeing the distribution of the lunches to the classrooms each pizza day.

### **Parent Council for 2015/16 Year**

Are you interested in getting more involved in the parent council next year but would like a little more information? This Guidebook from the Ministry of Education gives some great information on the role of parent councils and how they work: [http://www.edu.gov.on.ca/eng/general/elem\\_sec/council/council02.pdf](http://www.edu.gov.on.ca/eng/general/elem_sec/council/council02.pdf) I'm also happy to answer any questions you have, or to direct you to our wonderful committee chairs if you are interested in getting involved in a particular committee. Being involved is a great way to better understand what is happening at the school and the school board, meet other families and staff, and to contribute your talents to improve your child's school!

### **Thank you to volunteers!**

Finally, since volunteer appreciation week just passed, I wanted to say a huge thank you to the many many parent volunteers at OLS. In my role as chair this year my eyes have really been opened to the huge number of hours that both at-home and full-time working parents cheerfully put into making our school a better place for our kids and our community. We are very lucky to have you!

Best wishes,

Jennifer - [Jennifercsac@gmail.com](mailto:Jennifercsac@gmail.com)

## **MEAGAN'S WALK, CREATING A CIRCLE OF HOPE**

On Monday, April 13<sup>th</sup>, all Grade 6 students had the wonderful opportunity to go to the Crane Ceremony of Hope at the Hospital for Sick Children. Our students presented songs and Cranes of Hope to Children Ambassadors who are brain tumour survivors. The young Ambassadors accepted the symbols of hope and healing in this annual event that kicks off Meagan's Walk. Meagan's Walk is named in the memory of Meagan Bebenek. Meagan, as a JK student at OLS, sadly passed away from brain stem glioma, a cancerous brain tumour. Meagan's Walk has grown nationally and internationally in the years that have followed.

On Friday May 8<sup>th</sup>, the OLS community will gather and join hands in a 'hug' around the school as they celebrate 'Meagan's Walk, Creating a Circle of Hope'. This 'hug' is a simple gesture of encouragement and support for all the children, and their families, who struggle with serious illness or loss in the TCDSB community and around the world. Supporting all of these families gives us the opportunity and the privilege of putting our faith into action.

On May 8<sup>th</sup> we will also have a special Meagan's Walk fundraising activity. We will be selling large freezies at the recesses for \$2. The funds that we raise will go directly to brain tumour research at SickKids.

Beginning Tuesday May 5<sup>th</sup>, the Me to We team will be selling Butterfly Cookies in support of Meagan's Walk for \$2 each.

As well, we will be hosting a special Pink and Purple Civvies Day on May 8<sup>th</sup> in support of Meagan's Walk.

OLS students gathering together to celebrate 'healthy kids helping sick kids'. We unite to become a strong voice and to make a difference!

For more information on the Meagan's Walk and the May 9<sup>th</sup> Walk please see:  
[www.meaganswalk.com](http://www.meaganswalk.com).

## **CSAC COMMITTEE CHAIR – NEED SOMEONE FOR: HEALTH AND SAFETY COMMITTEE**

Health and Safety Committee - This committee works to provide the students with programs which offer them an opportunity to learn practical and effective strategies in the areas of nutritional, physical and mental well-being. Our goal is that the students will use these practical strategies to make healthy choices in a variety of settings. We aim to work with the school and families to create a solid foundation that will carry through their developmental years and into adulthood.

## **LOST AND FOUND**

Students and parents are reminded to please check the lost and found box for any clothing or treasures that may have gone missing. The box is located at the base of the stairs going into the school gym.

Contents of the lost and found will be cleared out the first week in May and are laundered and donated to charity.

## **ARTS AND ENRICHMENT NEWS**

On March 25<sup>th</sup> the grade seven students went on an excursion to view the matinée performance of The Heart of Robin Hood. The play was a modern retelling of the classical folk tale at the Royal Alexandra Theatre. We had a wonderful time experiencing the theatrical world with our peers. We thank the CSAC Enrichment committee for helping to provide us with such a great experience!

## CLASS PARENT REP NEWS

Thank you very much to this year's parent class reps. Your help in passing along messages between OLS, CSAC and our parent community has been invaluable and has helped us to reach 97% of the population via email. If you are interested in being a parent class rep for the 2015-2016 school year, please send your name and the name/grade of your child/children to Diane Rugosi at [germano@sympatico.ca](mailto:germano@sympatico.ca). Please indicate if you have a specific class preference. Parent class reps will be chosen in September once the school year has begun and the class sizes have been finalized.

### Spirit Wear

Spirit Wear Committee will be having a final sale for this year on Wednesday April 29<sup>th</sup>  
10:30am - 12:30PM (main entrance)  
2:30pm - 3:30pm (outside the rear school door)  
5:30pm - 8:00pm (back side of the atrium)

We encourage parents who need some spring/summer wear for their children to come see us on the dates above, as it will be the last opportunity to purchase for this year.

WE WILL ALSO BE OFFERING AN ADDITIONAL 30% OFF REGULAR PRICING ON OUR OVERSTOCK ITEMS.

## OLS PARENT SOCIAL COMMITTEE

Thank you to all who helped make the OLS Parent Social (held on April 10<sup>th</sup> at the Crooked Cue) it was a great success. The food was delicious, many enjoyed playing pool and the dancing went late into the evening.

## OLS CAPACITY COMMITTEE

The first of four public School Accommodation Review (SAR) meetings was held on Tuesday, April 21<sup>st</sup>. Committee representatives from Our Lady of Sorrows, Holy Angels, St. Mark, St. Leo and St. Louis were present along with TCDSB members and City Councillor Ward 5 Justin DiCiano. Minutes of the meeting will be posted on the OLS school website shortly. A notice will be sent to the school community once the next SAR public meeting date is announced by the TCDSB.

## GRADE 8 TRIP TO TIFF

On Monday, April 13<sup>th</sup>, the grade eight classes had the opportunity to visit TIFF Bell Lightbox. We were able to visit the Digi Play Space, which

had an amazing exhibit, including green screens, and 3-D video game. We also had the opportunity to view a film entitled "Bite Size". This documentary followed the life of American four kids: KeAnna, Moy, Davion, and Emily struggling with diabetes and

obesity. It was a very eye-opening film, and it really encouraged us to be healthy and to exercise. A big thank you to the CSAC Arts and Enrichment Committee who helped to subsidize the cost of this amazing trip!

## Monthly Update from the Board May 2015

### **TCDSB Launches New Three-Year Pastoral Plan: *Together with One Voice—Harmonizing Our Faith Through Family, Parish and School***

### **TCDSB Considering First Ever Multi-Language Catholic Elementary School**

The Toronto Catholic District School Board is exploring the feasibility of opening its first ever multi-language Catholic elementary school.

Based on a European-style international school model, the new French Immersion School would provide opportunities for daily instruction in two to three additional languages throughout the student's school week. In addition to French, the proposed languages would be German, Spanish and Mandarin. Other languages will be considered if there is sufficient interest from families.

In what is believed to be a first for any publicly funded school board in Ontario, the new school will offer a strong academic focus, and may also include an elementary International Baccalaureate program option. The school would be located at 100 Fundy Bay Boulevard (former site of St. Maximilian Kolbe Catholic School) in north Scarborough. Although school bus transportation could not be provided to students from outside the area, the school would be open to families living anywhere in the City of Toronto.

The Board is currently surveying parents to determine the level of interest in such a specialty international school. Feedback is being requested from those parents whose children are eligible to enroll in a *Catholic Full-Day Kindergarten* in September 2015 or September 2016, with registration limited to the first 75 students.

**The online survey will be available at [www.tcdsb.org/LanguageSchoolSurvey](http://www.tcdsb.org/LanguageSchoolSurvey) until May 15, 2015.**

Spring Walk and Roll to School Day: On **May 6th**, families will be encouraged to leave the car at home to promote an active, healthy, environmentally-friendly, and safe trip to school. Schools are encouraged to celebrate the day with stickers, raffle prizes (e.g. bike lights, umbrellas, pedometers), a fun lap around the school (especially if there are many bus students), wearing the colour green, and potentially hosting a special assembly.
