Anna Sirmay	Alda Menezes

**Regrets:** Alex Pascarielle, Gabriela Otero, Rebecca Castro, Ashley Fitzgerald, Denise Grande

**Chair's Report:**

Pancake Tuesday: Grade 8 students helping were wonderful and we had an amazing turn out of parent volunteers.

Gym Speakers: Work order was put in a number of months ago. Joe Cuodo now has the work order number and has forwarded the request to the correct person. The goal is to have the speakers repaired in time for the Welcome to Kindergarten Night. An update will be provided at the next meeting. There will likely be a cost to repair the speakers; council is open to helping fund this repair.

Technology: Mrs. Mazza has received the computer that was approved for purchase in the last meeting. This computer is currently being tested. An update regarding the performance of the computer will be provided at the next meeting.

Dog Poo Issue: "311" will not do anything to enforce the city bi-law as the school grounds are private property. The council is concerned as the dog poo in the school yard is a health issue for the children. Council will look into having signs made as a deterrent.

Confirmation and First Communion: Council voted yes to pay for gifts for the students. Council voted against providing a donation to the church for the purchase of flowers. First Communion will be on June 10, 2018. Confirmation will be on June 17, 2018.

Lockdown Procedures: We will need 40-50 new keys made. The cost for the keys will be a few hundred dollars. There is no funding from the school board for this expense. The plan is to have a folder by the door with a key taped to it. This is to be used in the event of an emergency and everyone would know where the key is located.

**Principal's Report:**

LTO Postings: Ms. Kilney has been replaced. There is still no replacement for the instrumental music teaching position. The board is actively looking for someone to fill this role. Michelle James has left OLV and moved to Blessed Trinity. Tara Dicks is Michelle's replacement; she is well trained in autism support.

Kindergarten Registration: 66 spaced are filled for JK. Currently enrolment is at 68 students (there is a waitlist).

Dental screening: 628 students were screened for dental care. 102 students had dental issues. (16.24% of the students screened. This is down 4% from the previous screening).

**Vice Principal's Report:**

Mr. Schultz presented a promotion for DJ services. The promotional price is \$375 per event; this includes sound system and 1-2 lighting effects. These services may be considered for the Spring BBQ.

**Treasurer's Report:**

Bank balance as of January 26 2018 is \$27,285.26.

**Next meeting: March 21, 2018.**
