MENTALMATH MADNESS THE ABACUS & PRODIGY

Join Us on in the Gymnasium at OLW
Tuesday, October 27, 2015 6pm-8pm

MATHEMATICAL THEMED CURRICULUM EVENT

This will be night full of interactive mathematical learning for BOTH parents and children to participate in. Half the night we will be introduced to one of the most important tools in the history of the mathematical world with a new age twist - THE ABACUS. Next students and parents will be taken into the world of mathematical programming through the PRODIGY game creator.

Light Refreshments will be served

In order to prepare for the event we ask that if possible you RSVP by **Wednesday, October 21st** via email with student name and grade as well as number of attendees to :

cspc.ourladyofwisdom@tcdsb.org

or by going to our online RSVP FORM located in this email - simply click the link!
