September 10, 2013

Dear Parents of the Our Lady of Wisdom Community:

Welcome back to another school year. As you may be aware, our school has been allotted an addition. This process is scheduled to begin later on this year. Before construction of an addition can commence, some changes have to be made. **As such, the parking lot that currently provides parents with parking will be closed on Friday, September 13 at 6:00 pm.**

On Monday, September 16, construction will begin to convert this lot into **school staff parking only**. Parents will no longer have access to parking on school property. In addition, there will **no longer be parking on Japonica Rd.** This space will be converted to a "no standing" zone, which will allow for a quick and safe "**kiss and ride**" location, where vehicles can pull up curbside to drop off students. With your cooperation, this change will alleviate congestion and enhance the flow of vehicles to and from the school. Parking is still available on several adjacent streets, including White Abbey Park, Crosland Dr, and Alice Cres. As a reminder, the school bus zone is reserved for school and private buses transporting students. It is not for parent parking. Please be respectful of this area.

We understand that these changes will present challenges to everyone as we adjust to new routines. The safety of our students and school community is our priority and we need your help in creating a safer environment for everyone. We ask for your cooperation as we implement these changes and work with our partners at the TCDSB, **Toronto Police and their** parking enforcement office, City of Toronto and our Catholic School Advisory Council to begin this new and exciting phase in our school's history.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

Sandra Filicetti
Principal
