

“Waste Free Lunch Program”

Be part of helping us become leaders in this environmental friendly waste reduction program. It involves the following three steps:

1. Pack lunches and snacks in re-usable containers, not in disposable bags.
2. Use re-sealable containers to avoid spills.
3. Left over food will be returned home in its containers by your child to be disposed of in the green bin program.

December 2014

Regina Mundi is an Allergen Aware School!
