<p><b>"Waste Free Lunch Program"</b>                      Be part of helping us become leaders in this environmental friendly waste reduction program. It involves the following three steps:                      1. Pack lunches and snacks in re-usable containers, not in disposable bags.                      2. Use re-sealable containers to avoid spills.                      3. Left over food will be returned home in its containers by your child to be disposed of in the green bin program.</p>					1	2
