

**“Waste Free Lunch Program”**

Be part of helping us become leaders in this environmental friendly waste reduction program. It involves the following three steps:

1. Pack lunches and snacks in re-usable containers, not in disposable bags.
2. Use re-sealable containers to avoid spills.
3. Left over food will be returned home in its containers by your child to be disposed of in the green bin program.

# OCTOBER 2015
