

Welcome to Parenting and Family Literacy Centre

Parenting and Family Literacy Centre is your babies' first step to get to know the school! It is FREE for parents/caregivers to drop-in with children ages 0-6 years old to participate in early learning activities and meet other parents/caregivers in a warm, welcoming, supportive environment.

We see families as co-educators and co-learners in the program, we invite you to be actively involved in our centres activities by engaging in learning through play with your child. We see you as your child's first teacher!

St. Albert PFLC opens Monday to Friday, from 9:00am to 1:00pm.

Joins us anytime. No pre-registration needed. Snacks provided.

Engage playing with your child
