CSAC PARENT INVOLVEMENT INFORMATION

In order to enhance the school-home partnership, CSAC will be compiling class contact lists.

The class contact list will enable parents to become further engaged in activities within the school community.

Each class will have a Parent Rep, who will be responsible for sending information to parents in the class. The Parent Rep will also be the liaison between the CSAC executive and parents within the classroom.

If you would like to be included on the Class List and to be contacted by a Parent Representative for activities in your child's classroom please complete the "Family Information" section below. If you would like to volunteer as a Parent Representative please complete "Parent Representative" section below. Kindly send this form back to school with your child by **September 20, 2013**.
