# CATHOLIC SCHOOL NEWS

OCTOBER 2019

## PRINCIPAL'S MESSAGE

It has been so fast that the days and weeks evolve into another calendar month. Already we are in the beginning of October. With this wonderful month of seasonal change and the recognition of cooler weather yet to come, we are also given the opportunity to reflect and to give thanks for all the goodness we share in this our wonderful community. Our Curriculum Night allowed parents the opportunity to meet your child's teacher and to become acquainted with the school subjects and plans for curricular design of the upcoming year. October also presents a day to give thanks to the Lord for all of the good things that have been bestowed upon us here in Canada, our wonderful school of St. Bartholomew and that of our children and families. St. Bartholomew was outfitted with a new furnace three years ago so even with the cooler weather we should be quite comfortable indoors. Our students continue to come into school and to exit the school through the east yard area and enter that area through the north and east gated walkways. The long north-south laneway area which is often used by parents to drop-off their child in the morning or to pick-up their child in the afternoon is much safer now. Parents are abiding by the no parking fire route signage placed on the school's east fence and now regularly drive into the church parking lot and then walk their child safely to the schoolyard's east gate. Visibility of the children and not having to walk between parked cars along the fence makes it so much safer for everyone. While school safety and security is paramount we welcome our visitors to the school. Simply phone to make an appointment to meet with a teacher or drop in to see me. Our blessings continue through our active parent community that works so hard to support the school and all of our students. At this reflective time of the year and throughout, let us all continue to reinforce the values of friendship, responsibility and mutual respect. There is so much for us to be thankful of within St. Bartholomew Catholic School.

Please consider being involved as a member of our Catholic School Parent Committee with its first meeting focused on elections to office scheduled for Monday September 30 at 6:30. Come and be part of a vibrant group of parents who seek to enrich the overall experience of all our students within the school. Let's all work together to further enhance our wonderful school of St. Bartholomew and that of our children and families within our journey of learning.

## Monthly Update from the Board October 2019

### Update on Negotiations with CUPE

The Canadian Union of Public Employees (CUPE) is involved in province-wide, central collective bargaining with the Council of Trustee Associations and the provincial government.

At the Toronto Catholic District School Board (TCDSB), CUPE represents caretaking, maintenance and warehouse staff, office clerical and technical staff, school based support staff including Child and Youth Workers and Education Assistants, and secondary school supervisors as well as International Language Instructors.

The TCDSB has been advised that the members of the CUPE may begin job action as early as Monday, September 30, beginning with work-to-rule sanctions.

The health and safety of students and staff is deeply important to us.

If there is any impact to regular school operations, parents will receive communications through the following methods:

- School Messenger (please ensure that your school has current and up to date telephone numbers and email addresses on file for your family)
- Twitter (follow @TCDSB)
- TCDSB website [www.tcdsb.org](http://www.tcdsb.org)
- 24-hour telephone information line 416-222-8282 ext. 2873

The Board wishes to assure parents and students that every effort will be made to ensure that all elementary and secondary schools, day care centres, before- and after-school programs and nutrition programs will continue to remain open as long as it is safe to do so.

School bus transportation for eligible students will continue.

Parents are encouraged to contact their local school principal with any questions or issues of local concern.
