Dear Parent/Guardian

I am pleased to announce that there will be no changes to the Gifted Program for September 2019, and students will continue to be served at St. Bonaventure as they have been in the past.

I am writing to inform you that a staff report was reviewed at the Board Corporate Services Committee meeting on January 17th, 2019. The report outlined the consultation process, which called for the creation of a parent and staff working committee and a full community consultation.

Following a review of the report at the Board meeting last week, the Board of Trustees decided that the consultation process be stopped so that means that there will be no change to the gifted program and St Bonaventure and students will continue to be the benefactors of this program.

I would like to thank St. Bonaventure staff and parents for their involvement in this process.

As always, please don't hesitate to contact me should you have any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Angela Kennedy".
