EQAO tracked the progress of students who wrote the primary-division assessment in 2012, when they were in Grade 3, and the junior-division assessment in 2015, when they were in Grade 6. There were 52 students at the time of the 2015 junior-division assessment. The pie charts below show how students performed on the 2015 assessments compared to their assessment results in 2012. The percentages are based on all tracked students in the cohort, including those who participated, those who were exempted and those who provided no work to be scored.
