

# ST. CLARE CSPC SPEAKER SERIES

*“CSPC supporting parents, in supporting  
children to achieve excellence  
in Math learning ”*

tvo | mPower

Presenter  
**Jody Poole**  
Manager, kids Online, tvo

*TVO's mPower is a creative, Ontario Curriculum-based, free, online math game that teaches fundamental K-6 math skills, as well as supporting the development of global competencies. It enables students to have fun while learning, as it tracks student progress and responds to students' needs.*

Knowledgehook

Presenter  
**Travis Ratnam**  
Co-Founder and CEO at knowledgehook Inc

*Knowledgehook is an online free tool, aligned to the Ontario Curriculum, for students in grades 3 –12 to improve math outcomes through group formative assessment and independent practice. It nurtures independent learners through scaffolded support that includes videos, worked examples and hints.*
