The Meeting called to order at 1745.

Ms Ambrose led the prayer followed by the acknowledgement of the land. Ms. Ambrose discussed the video conferencing of the protocols expected as this was the first video meeting for St Elizabeth's CSPC.

Ms. Ambrose presented the Principal's report

1. St Elizabeth, together with all the schools in the board, has transitioned to phase II distance learning. The Board wants to make sure for equity reasons all children have devices to access distance learning resources. Ms Ambrose noted that an email was sent in error to all St. Elizabeth parents, not just the parents whose children will be receiving a device

2. TCDSB Mental health support options were provided.
