Thank you to all the Catholic School Supporters in Ward 3

Thank you to all the Catholic school supporters in Ward 3 who demonstrated their commitment and interest in publicly funded Catholic education and taking the time to exercise your right to vote.

I am very grateful for the opportunity to be your voice within the Toronto Catholic District School Board for the next four years.

I look forward to beginning the New Year as your elected representative, and to represent the concerns and opinions of Ward 3 during discussions throughout the coming term.

Working closely with all the students, parents and staff within our schools, as well as our parish partners and members of the Catholic community, I know that we can ensure that our students continue to learn and succeed in a school system where education reflects our Catholic faith, traditions and values.

As your local representative, I am here to serve you and I welcome your emails and phone calls. I encourage each and every one of you to stay informed about the issues impacting on education by visiting our board website at www.tcdsb.org. If you use Twitter, please remember to follow the school board @TCDSB to get the latest information throughout the day. If you prefer receiving news via email, the board also provides a free digital newsletter. You can subscribe to that online at <http://www.tcdsb.org/News/eNews/Pages/default.aspx>.

I wish you all a safe and peaceful Christmas surrounded by family and friends and a healthy, happy and successful New Year ahead. Merry Christmas!
