Dear Mr. Cassidy,

I have completed the attached request to register in the Extended French program at St. Gregory Catholic School and agree to the following:

1. The Extended French program commences in grade 5 and continues through to graduation from Grade 8. A long-term commitment is imperative. This is a half-day program and the students are expected to maintain work responsibilities in both the French and English programs.
2. Demission from the program is only done after consultation with school staff and school administration.
3. Eligible 'out of area' students may be offered a place in the Extended French program at St. Gregory Catholic School if space is available and they reside in close proximity and not near another school offering the Extended French program. Should an 'out of area' student be demitted from the program they must return to their designated home school. Siblings of 'out of area' students may not attend St. Gregory Catholic School.
4. School bus transportation is **not** provided to 'out of area' students but TTC tickets **may** be provided on request, where the walking distance is 1.5 kilometers or more (as per TCDSB policy).
