Report Cards & Parent-Teacher Conferences

First term Report Cards are scheduled to go home on February 10th. With the report card we will share your assigned conference time to meet your child's teacher(s) on February 12 or 13.

Appropriate Dress Code

A reminder that all students should be dressed daily in navy blue and white.

Also, for your child's safety and enjoyment please ensure your child is wearing appropriate clothing for outdoor recess during this winter season.

Student-Led Learning Walk

During the week of February 9th our school Learning Walk will focus on student work on Geometry & Spatial Sense from grades JK-8. Please take time to visit our school with your child to see their work and how this mathematics strand evolves at each grade level.

Scientist in School Family Night

Our school was the lucky recipient of a free Scientist in the School Family Night on February 19. This opportunity is only available to 80 students and their families on a first come, first serve basis. Registration forms were sent home last week and we will be contacting families to confirm their participation soon.

SIJ CSAC By-Laws Meeting

This Thursday, February 5 our Parent Council will be meeting to review and amend our school CSAC's by-laws. Please join us at 3:30pm in the library.

District Review Visit

We will welcome our school superintendent and TCDSB principals on February 25th as they visit our classrooms and meet our students. The purpose of their visit is to provide our staff with feedback to both celebrate and set future goals for school improvement.

The Angel Foundation for Learning Board-Wide Civvies Day

On Thursday, February 12 each student is asked to bring in \$2 in support of the Angel Foundation for Learning's fundraiser. The AFL helps support our school nutrition program and various programs throughout the Toronto Catholic District School Boards. In exchange for their donation this is a civvies or "free-dress" day for students. Thank you in advance for your support!
