St. James' Landscaping

Have you noticed our beautiful begonias in the front entrance of our school?

A big thank you to Mr. Santangelo our head custodian, Ms. Krol our new secretary and Ms. Aurelio our school nutrition supervisor for planting the begonias and watering them. Mr. Santangelo and Ms. Krol are also watering the front lawn with our new sprinkler. It's a miracle! Our front grass is actually turning green and the students will have a chance to take their learning outdoors and sit comfortably under our beautiful trees.

All our basketball nets are up except one, due to a broken light fixture. Our students love playing basketball. They are definitely getting their daily physical activity. Thank you to Mr. Santangelo for putting up the nets.

Have you seen all the soft air balls and skipping ropes in the schoolyard at recess? Thank you to Mr. Santangelo and Ms. Aurelio for your trips to Dollarama to get the balls and skipping ropes. Our students are much more active and even our grade 7 & 8 girls are not sitting on the benches as much.
