St. James CS' Agendas

Our school agenda is a very valuable organizational tool to have for all our grade 1-8 students to ensure a successful learning year. As Catholics we follow the liturgical calendar, you will find this in the agenda. The school code of behavior is also included. We ask all parents to sit down with their children and review the school rules. This will serve your child well throughout the year. **If you have not purchased your agenda, please advise the school office.**

ME To We Day

We are delighted to invite you to join us for our first-ever WE Day Family Toronto event. Together, a family has the power to change the world. At our WE Day Family event we motivate families to raise compassionate children around causes that matter.

WE Day Family is a powerful, life-changing experience with world-renowned inspirational speakers and performers. With inspiring stories of leadership and triumph, families grow closer, stronger and feel empowered to take on the world, together. We've attached a guide with more information about WE Day Family for your reference.

By sharing in the excitement of WE Day Family, it provides a unique opportunity to be involved in WE outside of the classroom. St. James CS has 20 complementary tickets to share with your family. Please see attached our flyer for more information. If you wish to attend with your family, please register online and contact the office at 416-393-5275.
