The Board's Capital Development Department has begun to work on the development of a child care facility at St. Jean de Brebeuf Catholic School. The status of the project is as follows:

- The proposed child care addition will consist of 3 playrooms - 1 room for 10 infants (plus sleep room), 1 toddler room for 15 toddlers, and 1 preschool room for 24 preschoolers, plus support and administration areas;
- A Request for Proposals for Architectural Services will be issued at the end of May and consultant award for this project is expected in July;
- A project start up meeting will be scheduled at the school in September;
- A Local Design Committee (LDC), comprising the school principal, parent and teacher representatives, the area superintendent and the trustee will be formed for consultation throughout the design process.

Please share this information with your school community. For updated information on the project, please also advise parents to check the Board website at:
