FOCUS GROUPS - Groups within the school who require additional support

All classes in our school will be involved. Teachers will choose students between a low grade level to mid grade level (i.e. C- to C)

URGENT CRITICAL LEARNING NEED - Schools have many learning needs. This is the most urgent and critical learning need that will be addressed this year.

Improving our students' ability to increase their knowledge and understanding of math operations in the strand of Number Sense and Numeration.

SMART GOAL - School goal for student learning that school will focus on achieving throughout the year.

By the end of the second term, each classroom teacher will increase the achievement on the report cards of two marker students by at least 5% (i.e. C- to C) in the strand of Number Sense and Numeration.

REQUIRED PROFESSIONAL LEARNING

STAFF PROFESSIONAL DEVELOPMENT CRITICAL NEED - In order to address the student urgent critical need of the school and to work toward the school's SMART goal, the following professional development is required.

Additional release time for staff to plan professional learning cycles, participate in, and organize experiential learning opportunities (Code days). In addition, staff requires time to discuss recent pedagogy and instructional strategies.

PROFESSIONAL DEVELOPMENT PLAN - Professional learning topics that will be undertaken by staff throughout the year.

On October 18th, staff will begin a professional learning cycle with students focussed on Number Sense and Numeration Assessment.

On November 7th, staff will end the professional learning cycle. SIT and Staff will determine next steps for instruction as informed by the PLC results. At that time, we will determine and plan how to effectively use our code days.
