The used books will be resold to students, teachers and parents for \$1-3 per book! That's a steal of a deal!!

Please help us promote the enjoyment of reading by donating and purchasing used books!

## **WE R LOVE Campaign**

**Feb 1<sup>st</sup> – 28<sup>th</sup>**

During the month of February, students are invited to demonstrate acts of LOVE towards one another. This can be anything from holding the door open for others, playing with someone who is alone, sharing, etc. When someone sees another person exhibiting an act of LOVE, they are invited to fill out a heart card from their teacher. These random acts of LOVE will be read over the announcements throughout the month. They will also be displayed on our WE bulletin board. Please encourage students to participate in this LOVE campaign. Special acts of love/kindness will be rewarded with a cool love button.
