Hoops For Heart
March 2-8, 2017

St. John Bosco is pleased to be holding our 6th annual Heart and Stroke Foundation Hoops for Heart Shooting Challenge in grades 5-8. All monies raised will support the Heart and Stroke Foundation in their mission to promote children’s health and fund vital heart and stroke research.

Hoops for Heart encourages kids to get active while they donate for heart disease and stroke research. They also learn the importance of living a healthy lifestyle and giving back to their community during this Lenten season. This event will take place during the lunch hour and last recesses with the help of our WE ambassadors.

This year, our school is charging a minimum of \$5 donation to participate in the Shooting Challenge. Students can register online at jumpropeforheart.ca: click on register, choose province and school, select “Student Fundraiser”, fill out fundraising information, and that’s it! OR Students can bring a \$5 donation to their classroom teacher.
