Pick a friend, sibling, or classmate and dress the same! Please donate \$2.00 towards supporting our WE goals to raise money for water projects in Nicaragua.

WE R LOVE Campaign

Feb 1st – 28th

During the month of February, students are invited to demonstrate acts of LOVE towards one another. This can be anything from holding the door open for others, playing with someone who is alone, sharing, etc. When someone sees another person exhibiting an act of LOVE, they are invited to fill out a heart card from their teacher. These random acts of LOVE will be read over the announcements throughout the month. They will also be displayed on our WE bulletin board. Please encourage students to participate in this LOVE campaign. Special acts of love/kindness will be rewarded with a cool love button.
