Jersey Spirit Day!!-\$2
Thursday, January 17, 2019

Everyone has a favourite sports team!! We are dedicating this month's spirit day to your favourite team and players! For a \$2 donation, students can wear their team's jersey with pride all day long and cheer for their favourite athletes!! Money collected from Jersey Spirit Day will go towards our WE goals of supporting clean water initiatives in Nicaragua.

WE Film for Change-Advocacy and Art Create Change!

This month, students will be encouraged to create videos to shed light on an issue that’s important to them (i.e. mental health, anti-bullying, environmental issues, etc.). We will share the videos with junior grades and on our Instagram page to spread the message and help create social change.
