SJB WE INITIATIVES

Free the Children have a five pillar structure designed to help countries develop **sustainable communities**. Last year, through the Adopt a Village campaign, SJB WE Team decided that **Haiti** was the country most in need of our efforts to help with Education efforts. Our goal was to raise \$1000 last year. We raised \$2595 for various efforts! This year, our goal is to raise **\$1000 for clean water efforts in Nicaragua!** Please get on board to help us meet our goal!
