

June 28th, 2019

Dear Parents,

Grade 9 Orientation is such a valuable experience for everyone - students, leaders, and staff! At Camp White Pine, we view each day as a big deposit into the account of personal development, renewal, and refreshment. Thank you for registering your Gr. 9 student for Gr. 9 Orientation at Camp White Pine as a part of your child's smooth transition from Gr. 8 to Gr. 9!

Quality

We intend to make Grade 9 Orientation a wonderful memory for campers. That means we pay close attention to the quality and tone of each day:

- Safety for your child at every level – physical, emotional, spiritual, mental;
- Staff who love being with kids, who care about the well-being of your precious treasures, who are well trained and can be counted upon to be the kind of role models parents appreciate;
- Activities that provide campers with great new experiences, great leaders, and great equipment.
- Facilities and food that continually get top marks from campers and parents.

Purpose

We intend that after a couple days of camp, your child will have more than just new stories to tell or new friendships to continue or a new interest to pursue. We achieve this, through nature, engaging music, considerate teaching, and exciting activities. We intend to challenge this young generation to choose the values of peace, joy, self-giving love, respect, and truth, and take this back to the Pope John Paul II community once they return.

Wonderful Memories

Orientation at Camp White Pine is full of discovery and adventure - breathing in fresh clean air; making new connections and meeting new friends; seeing stars at their brightest; participating in activities that will not only challenge their will while building trust and character.

This Sounds Like A Wonderful Experience...but I forgot to Register my Child!! Is it too late???

Absolutely not!! If you have not yet registered for Grade 9 Orientation 2019, it is not too late. Please drop in the main office during the month of July to Register!

My Son/Daughter is all signed up! What do they have to pack?!?!

Please see the attached for all the important information!

We look forward to meeting your child in September!!!

Have a great Summer!!
