PRINCIPAL'S MESSAGE

The students and staff at St. John The Evangelist Catholic School were involved in numerous activities during the month of November: The intermediate Co-Ed Football Team and The Intermediate Volleyball Teams competed in their respective tournaments, The Leadership Team attended a workshop on Cyber Bullying. Staff had the opportunity to conference with parents to discuss student progress as well as next steps and goals for students to work towards. In addition, as part of our pastoral plan focus, *We Believe*, St. John The Evangelist Catholic School had the opportunity to participate in a lovely Remembrance Day Memorial Service.

During the month of December, we will be focusing on the virtue of CHARITY as we enter the season of Advent, a quiet joyful preparation for the celebration of Jesus' birth. The scriptures remind us that, "Where charity and love are, God is there." At St. John The Evangelist, we will be practising charity and generosity in many ways, including donations to local charities.

This year, we will be celebrating the season with two special events: our Mass and Liturgy on December 11, 2019 at 9:00 am and 10:40 am at the church and our Christmas Concert with our JK to Grade 6 students on December 18, 2019 at 12:30 pm in the gym.

At this time we would like to welcome back Ms. Cerasani, our secretary. We welcome Mr. M. Power our new Head Custodian to the St. John The Evangelist Community. We also congratulate Mr. Shears, on his appointment as our new Child and Youth Worker. We wish Ms. F. Cesario and Mr. Sacco continued success.

Christmas is a time of joy and celebration. It is a time when we think of the Holy Family and are reminded of the importance of families in our lives. May the Lord grant you and your family a blessed Christmas and a very prosperous New Year filled with joy, love, health, and peace.

Remembrance Day Memorial Service

On November 11, 2019, we gathered in the Gym to remember all the sacrifices made by soldiers and we demonstrated how grateful we are for the freedoms that we have. The students, staff, and parents of St. John the Evangelist commemorated Remembrance Day with a wonderful memorial service organized by Ms. Violo and presented by the Leadership Team. The students provided us with the opportunity to reflect on the importance of being a peacemaker, stirring music, heartfelt prayers and readings, poignant videos and insightful explanation, and two minutes of silence. We also had the pleasure of welcoming Major Jordan Andrews, a parent of our community, who spoke about the importance of Remembrance Day and peace.

Royal Canadian Legion

Thanks to the generosity of the community of St. John The Evangelist Catholic School donated approximately \$80.00 to the Royal Canadian Legion for the lovely poppies that were provided for the students at our Remembrance Day Service. The Royal Canadian Legion is extremely thankful for your generosity as all donations received through the Poppy Campaign directly support veterans serving militaries, and their families. Thank you!

Take Our Kids to Work Day

The TD Grade One Book Giveaway Program

Since 2000, the Canadian Children's Book Centre (CCBC) has provided every Grade One student across Canada with a beautiful

Canadian children's picture book thanks to the generous sponsorship of the TD Bank. The goal of the CCBC is to encourage literacy and to help all Canadian children develop a love of reading and a passion for books. This year, Grade One children nationwide took home *My Heart Fills With Happiness*, written by Monique Gray Smith and illustrated by Julie Flett. The author wrote this book to support the wellness of Indigenous children and families, and to encourage young children to reflect on what makes them happy.

Winter Clothing

Winter is a fun season for students that allows them to experience and enjoy a variety of outdoor activities and sports if they are dressed appropriately. During the winter months, students should be wearing coats/jackets, mittens/gloves, hats, scarves, and boots when they go outside to play at the recesses. It is also important that coats/jackets are buttoned or zipped up. Please take the time to work with your child to ensure that he/she knows how to button/zip up his/her coat/jacket.

Also, all students must have a pair of indoor closed toed shoes at school. Boots are for outdoor use and not to be worn in the classroom. Students need to have closed toed shoes on at all times, especially when going to the washroom, changing classrooms, or participating in emergency drills for fire or evacuation. It is also a good idea to have your child carry a clean pair of socks in his/her backpack in case of wet feet.

Thank you for your co-operation in ensuring your children are coming to school dressed properly.

Inclement Weather

With the approach of winter, please note that should it

become necessary to cancel school bus transportation or close schools due to inclement weather, the Communications Department and the Toronto Student Transportation Group will endeavor to provide announcements and updates by 7:00 am through the following vehicles: News releases to radio and television outlets in Toronto, the Board's 24 hour information line at 416022208282, Ext. 2873, the Board's website at www.tcdsb.org, and the Toronto Student Transportation Group at <http://www.schoolbus.to/chome.asp>. Get all the information all year long by following Twitter @TCDSB.

We offer the following reminders:

SUPERVISION

A reminder that supervision in the school or yard begins at 8:15 am. Supervision in the yards is available from 8:15 a.m. onward.

STUDENT PICK UP

If you normally pick up your child up at the end of the day, please wait at the back of the school for the 3:00 p.m. bell

FOOD ALLERGIES

As in the past, please note that we have a growing number of students in our school that have severe, life-threatening allergies to peanuts, nuts, eggs and/or fish. This is a medical condition that may cause a severe anaphylactic reaction to specific foods that can be fatal. Although this may not affect a student in your child's class directly, we ask that you **DO NOT SEND ANY PRODUCTS THAT MAY CONTAIN PEANUT, NUT, EGG AND/OR FISH PRODUCTS TO SCHOOL**, as children can come into contact with one another elsewhere in the school. For this reason students are not allowed to share food at school. This includes treats that you may wish to send for celebrations such as birthdays. **If you wish to treat the children for a special occasion please purchase non-food items, such as pencils, stickers etc. that can be shared without risk. Please note that if a student has another kind of food allergy, you will receive a note home informing you to refrain from sending in foods containing said allergen (ex. coconuts).**

We are also requesting that "fast food" not be sent with your child as many of the food items at these locations contain these food products; we encourage you to take your child out to enjoy these foods together. We thank you in advance for your support in helping to keep every child in our care safe.

Student Absences

Please remember to call in student absences on Safe Arrival

Students on School Bus

The school bus is a service that is provided, and as a result it is an extension of the school. Therefore, students on the school bus are expected to follow school bus rules for the safety of all. Students are always to remain in their seats (no moving seats), keep their hands and feet to themselves, do not eat nor drink on the bus, do not shout on the bus, do not use inappropriate language, etc. Please review with your child. If students do not follow these rules, bus services for your child(ren) may be withdrawn. Also, if your child will not be taking the bus home, a written note from a parent/guardian is required the morning of. This note needs to be dated and signed. Unfortunately, phone calls will not be accepted.

Vision Health for School-Age Children

Did you know that 1 in 4 school-age children may have a vision problem that could affect their ability to learn? An eye exam is the best way to help detect a vision problem and it is covered by OHIP every year for children and youth age 19 and under. Some signs that your child may be having difficulty seeing include:

- Squinting or holding objects close up
- Turns or tilts the head when viewing objects or covers one eye
- Excessive blinking, rubbing or itching eyes
- Complains of blurry or double vision

Attention Parents/Caregivers of Children in JK (born 2015)

Is your child currently in JK and has not had their vision checked this year by an Optometrist? Be sure to book an appointment to take advantage of the [Eye See Eye Learn®](#) program. Students born in 2015 are eligible to participate up until June 30th 2020.

Eye See Eye Learn® is a program through the Ontario Optometrist Association that provides an eye exam and a free pair of eye glasses if required. Find a participating optometrist near you at https://www.optom.on.ca/OAO/Find_a_Doctor.aspx

For junior kindergarten students, the [Eye See Eye Learn](#) program provides an eye exam as well as a free pair of eye glasses if required.

Eye exams should be part of your child's ongoing health checkups

- For optimal health and learning, a comprehensive yearly eye exam is recommended for all students

- You can locate an optometrist near you at www.optom.on.ca

Parents, don't wait for your children to tell you that they are having problems with their vision before booking an appointment for an eye exam. Here are some reasons why:

- Young children may not know that they have a vision problem and assume everyone sees the way they do
- Some vision problems are more successfully treated when detected at a young age
- Annual eye exams for children and youth up to age 19 are covered by OHIP

Guidance Corner

During the season of Advent, encourage your child to be charitable towards others. Forgiving past hurts, extending the hand of friendship and including those who are marginalized, is a wonderful way to put our December virtue of **Charity** and our faith into action. <http://www.parents.com/parenting/money/donate-to-charity/9-ways-to-teach-your-child-about-charity/>

Following the progress report, there may be some Learning Skills and Work Habits that your child is working toward developing. Self Regulation, managing emotions and using appropriate behaviours at school, can be challenging for some students. A few excellent websites to help your child develop self-regulation skills are: <http://www.gonoodle.com>; <http://www.edu.gov.on.ca/childcare/selfRegulate.html>;

The **AFTER8** Transition Guide to gather information about different aspects of high school such as: The Credit System, Course Types, Timetables and Special Programs, have been given to Grade 8 students in their schools. The more information students have before going to high school, the easier the transition becomes. Talk to your Gr. 8 child about their fears and anxieties that they are having about going to high school, and help them gather as much information as possible. The **Parent Transition Guide** is filled with helpful information to answer many of your questions and is being sent home with your child..

Intermediate students have been working on their **Individual Pathways Plans** on <http://www.myblueprint.ca>. Ask your child to show you their survey results and portfolios.

Monthly Update from the Board

December 2019

Labour Update

Letter from Director of Education and Chair to Parents/Guardians of Children Attending TCDSB Elementary Schools

We are writing to inform you that late last week we learned the Elementary Teachers Federation of Ontario (ETFO) representing approximately 430 Designated Early Childhood Workers (ECE), will be taking work-to-rule measures effective Tuesday, November 26, 2019.

As per ETFO communications, we expect all ECE's to continue to perform core duties and do not anticipate any disruptions to your child's care. Actions to be expected include:

- Wear red clothing and/or accessories to show their support for the ETFO labour movement.
- Will not participate in any extracurricular activities.
- Will not attend staff meetings unless it is an emergency meeting.
- Will continue to communicate learning/provide feedback by collaborating with teachers both verbally and in writing. Their regular contributions to report cards will continue.
- Christmas concerts and regularly scheduled Masses will continue.

The health and safety of your child remains our top priority. Our principals, vice-principals and board administration will continue to communicate with you throughout any labour disruption to mitigate any challenges, and ensure the safety and security of our students, staff, parents and volunteers in our school facilities. Information will be shared with school communities through the Board's website (www.tcdsb.org), twitter and email via School Messenger.

We remain hopeful that the Council of Trustees Association and the provincial government will be able to reach a new central agreement with ETFO.

Opportunities for Students

We Believe

For the second year of our pastoral plan, “Rooted in Christ: we Belong, we Believe, we Become”, students are invited to consider who inspires you, who nurtures your faith, who acts as a mentor and role model of Catholic living. Is it your school chaplain? A parent or other family member? Your pastor or other member of your parish? A teacher or other staff at your school? A colleague or friend? Why not sit down to have a chat with them, and interview them about their experiences of living their faith. Share your experience through a STEAM project, written work (poem, story, article), a short video, art, music or technology. Celebrate those who have guided you on your own journey of faith. Share your ideas and initiatives on social media (@TCDSB #TCDSBelieves). Send your submissions to ncc.team@tcdsb.org.

Your submissions will be showcased on the TCDSB website and shared via social media (twitter/Instagram).

DONATE TO RELIEF FUND FOR FAMILIES AFFECTED BY GOSFORD FIRE

On November 15, 2019, a devastating fire broke out in a North York apartment building displacing hundreds of residents, including 22 TCDSB students. Donations can be made via The Angel Foundation for Learning at angelfoundationforlearning.org or [click here to access the AFL donation page](#). Donors can select “Assisting students and families of the Jane St and Steeles Ave. fire” in the “Apply your donation...” drop-down menu.
