FRIDAY, February 12th.

FAMILY DAY—MONDAY, February 15th.

The Virtue for the month of February is LOVE.

While the rest of the world may choose to celebrate the ideal of romantic love on February 14, TCDSB schools will be focusing on the virtue of LOVE as expressed in the gospels. "For God so loved the world, He gave His only son." John 3:16 As we focus on the virtue of love at St. John the Evangelist this month, let us remember that love not only inspires the practice of all other virtues, it is the form and completion of all the other virtues. We will not limit our celebration of the virtue of love to February 14th, but demonstrate this virtue through being mindful of how our actions affect others. If we are playing with others, we will ensure we do so with care for their wellbeing; we will be true friends.

BLACK HISTORY MONTH

February is African Heritage Month, during which we celebrate the contributions of great Canadians of African descent. The month is full of announcements and activities that focus on this great history.

CHOCOLATE FUNDRAISER

Our Catholic School Parent Council (CSPC) is spearheading a chocolate fundraiser. Letters have gone home to every family describing the options and procedures. Please take a few minutes to review the letter and return it by Thursday, Feb. 4.

STUDENT-LED LEARNING WALK

During the week of February 8th we will be opening our doors to welcome you, and educators from other schools, to walk our halls and take note of our school wide initiative to make numeracy more engaging and our curriculum more explicit. This is a **Student-Led Learning Walk (SLLW)**. Please contact the office if you would like to arrange a time for your child to take you on a tour through our school, or email Laurienne.Graham@tcdsb.org for more information.

KINDERGARTEN REGISTRATION

To register your child for kindergarten next year, visit the TCDSB website for details: <http://www.tcdsb.org/programsservices/earlyyears/kindergartenregistration/pages/default.aspx> or go directly to Soar.tcdsb.org

SCHOOLYARD SUPERVISION AND LATE ARRIVALS

Please remember that there is no supervision in the yard before 8:15 a.m. Children cannot be dropped off at school before that time. Also, when you do drop off your child at school after 8:30 a.m., please go to the office and not to your child's classroom. Other children do not know that you are a member of the community and may be nervous about your presence.

ELECTRONIC DEVICES

Please do not allow your children to bring electronic devices to school unless they have been requested for educational use. We have no way of ensuring that they will not be stolen, damaged or lost. The school cannot be responsible for students' electronic equipment. Students may have a telephone at school only for safety reasons, and they should remain in their back-pack or on their person and are NOT to be used to make phone calls.
