Status of the Capital Project for June 2018

The Board's Capital Development Department continues to work on the development of a child care facility at St. John Vianney Catholic School. The status of the project is as follows:

- A report awarding the Consultant contract was approved on April 4, 2018;
- A project start-up meeting with the Architect took place on May 17, 2018;
- A meeting at the school involving the Principal, Architect and Board Staff took place on June 11, 2018 to discuss the project scope and to visit the proposed project area;
- Once a preliminary layout is ready for feedback, a Local Design Committee (LDC), comprising the school principal, parent and teacher representatives, the area superintendent, the trustee, and local pastor will be formed for consultation throughout the design process.

Please share this information with your school community. For updated information on the project, please also advise parents to check the Board website at:
