Dear Parents / Guardians:

It is a pleasure to welcome you and your daughter to the St. Joseph's College School community. Working together will ensure that next year is a rewarding one for your daughter. We urge your daughter to study hard and to participate in the many co-curricular activities, which the school offers. In this way, she can best share her talents and faith with the entire school community.

Registration will begin at **6:00 p.m. on Wednesday March 2nd, 2016 in the upper gym**. If you are interested in applying for the Advanced Placement Program and have not already submitted your application, then a package will be available to you on the evening of registration. Please read carefully the material enclosed and bring the following with you when you come to register your daughter:

1. Registration Contract
2. Course Selection Form
3. Student Registration Form
4. Grade 9 Orientation Overnight Camp Excursion Package

Activity Fee (\$110.00 Cash) will also be welcomed on the night of registration. Please see the reverse for the breakdown of the activity fee.

St. Joseph's is offering a **high school transition program** for your daughter this summer. **The Head Start Transition Program will run from July 4 to July 29**. The cost will be \$30. This program will focus on Literacy, Numeracy and Technology. Students will **earn a Grade 9 credit**. We encourage all grade 8 students who are registering for St. Joseph's in September to register for this very rewarding experience.

Information about the purchase of the school uniform will be available the night of registration. All grade 9 students will be asked to partake in the summer reading that is assigned by our English teachers. Teachers from our Resource Department will be on hand for any parents/guardians of children with an IEP.

If, for some reason now or at a later date, your daughter decides that she is not going to attend St. Joseph's College School in September, please let us know as soon as possible so that we may offer admission to another student on our waiting list.

We look forward to meeting you on our registration night on Wednesday, March 2nd, 2016 at 6:00 p.m.

Sincerely,

Helen Lesniak
Principal
