Re: St. Malachy Catholic School – Expanded Addition
Status of the Project – March 2015

The construction of the expanded addition including 2 Full Day Kindergarten rooms and 6 classrooms for St. Malachy Catholic School is underway. The status of the project is:

- Exterior masonry nearing completion / exterior paneling underway;
- Underground site servicing and transformer replacement are complete;
- Replacement of existing air handling units are awaiting gas connection;
- Interior finishes are nearly complete / mill work installation is in progress;
- Interior renovations of the existing school and the site work including the extension of the parking area, kindergarten play area and fencing will be completed in the spring and summer of 2015;
- Students will be relocated from the portables and temporary accommodations/classroom spaces into the addition, when the construction of the addition is complete and ready for occupancy.
