- Budget shortfall

Meeting Minutes:

Opening Comments: CSAC Bank Account Balance is currently at \$1900 as of the meeting.

Activity fees discussion

It was decided that there would be no activity fees charged to students this year. The pizza money collected on Thursdays and grade 8 students selling yogurt twice weekly at noon hour to cover their graduation cost should get us through the year. This year we will try to see how best to conserve money for example:

- Reduction in number of scientist in the school sessions. Having two grades/schools participate hence reducing cost
- double up classrooms on bus trips for school excursions or use public transit
- Use of TCDSB portal site and email for communication

More ideas for raising money other than activity fees and saving money are welcome.

Election of new 2015-2016 Executives

Madhavi Tom Yew will continue her role as treasurer for this school year. Lisa De Lima will be the secretary. At the time of the meeting the role of chair was still open.

New grade 1 and 2 teacher

Ms. Wong is our new grade 1 and 2 teacher and we are very happy to have her join our school community.

Budget shortfall

There is a 30 million dollar deficit at TCDSB. 16 million short fall more in 2016 and another 16 million in 2017. This translates to Mr. Chubb receiving less money for school operation.

Meeting adjourned at 7:45PM.
