Dear Parents,

Your children are encouraged to arrive to school in their costumes for Halloween Day (Friday October 31st). They will wear their costumes until the lunch hour and then change into their regular clothing for the remainder of the school day. Please ensure that all costume pieces are labeled and provide separate bags, other than school back packs to store the costumes. Please refrain from dressing your children in costumes that promote violence and carry replica weapons. As well, for safety reasons, full head masks are not allowed.

Shortly after morning announcements (approximately 9:15 a.m.), the Kindergarten students will parade outdoors in the school yard (weather permitting) and then indoors through the classrooms on the main floor. Parents are welcome to stay to see the parade. Photos are permitted as long as they are for personal use only. We ask that you respect people's privacy and do not tweet or e-mail photos.

If you would like your son/daughter to share treats (peanut free, of course) with his/her friends, please make loot bags and they will be sent home at Dismissal Time. There are a total of 26 JK/SK children in each of the Kindergarten classrooms.

Sincerely,

The Kindergarten Team

Please TURN
