Thanks to all our families who have supported this year's chocolate fundraiser. We started with 208 cases and with two days left in our campaign, we have 17 cases remaining. However, there are over 80 cases that still have not been reconciled. Please have your daughter/son return their chocolate envelope or chocolate case (with unsold products) to school by **Friday, December 13, 2013.**

All unsold chocolate can be returned however, if you have less than half a case remaining perhaps you can consider purchasing the remainder — Worlds Finest chocolates make tasty last-minute stocking stuffers!
