Dear Parents / Guardians:

Welcome back to St. Monica Catholic School for the 2014-2015 school year! During these first days of school, staff, parents and our children have shown much enthusiasm and spirit in returning to school. It is our hope that as a community of adults, we can work together to enrich our children's growth – academically, spiritually, physically and socially. With our combined efforts, I am certain that our students will have a successful year.

As we begin our new school year, I would like to inform parents that:

- Our school's monthly Newsletter + Calendar (September's will be sent home early next week) will be distributed at the beginning of each month and added to school's website
- Visit our school website for additional information at <http://www.tcdsb.org/schools/stmonica/>

Our Catholic School Advisory Council (CSAC) meets monthly in the school library. The first meeting is scheduled for Thurs. Sept. 25, starting at 6:15 pm. Please attend our first meeting if you are interested in running for an executive position, or if you wish to participate in any way.

Today we are sending home the following forms and brochures:

- Student Accident Brochure
- St. Monica "Information Sheet and Permission Forms" (2014-2015)
- School Year Calendar 2014 - 2015
- Pizza Lunch Order Form
- Student Internet Agreement
- Student Agenda Payment Form (gr. 1 – gr. 8 ONLY)
- Piano Rules Brochure

Please **complete all attached forms** and have your children return them to their homeroom teachers by Friday, September 12, 2014.

Our student population has decreased over the summer. As such, St. Monica C.S. may need to readjust some classroom sizes to meet Board and Ministry guidelines. Changes may occur as late as September 30<sup>th</sup>; however, once our school numbers settle and TCDSB reviews our needs, we will reorganize accordingly. Thank you for your patience and understanding in this matter. If you have any questions or concerns, please do not hesitate to call our school.

With a good summer holiday behind us, we hope that our students will quickly settle into the new routines for their 2014-2015 educational year. Our school motto is "*Learning and Walking with Jesus*" – let us pray that we will continue to achieve many positive outcomes and have a very safe school year.

Sincerely,

Mr. V. Tanzini,  
Principal
