Dear Students and Staff,

**Your recent donation of 710 lbs. of food** has helped North York Harvest deliver nourishing food hampers this fall to families and individuals across northern Toronto.

Because of your contribution, our clients will not have to skip meals to pay their monthly rent. From single parents to newcomers, from the recently unemployed to those living with disabilities, all community members will receive sustained food assistance this fall, thanks to you.

All of us at North York Harvest wish to express our appreciation. Your support allows our organization to distribute 1.7 million pounds of food to neighbourhood programs, and build a community where all members are able to meet their food needs. To see how your donation makes a difference, please visit us online at [www.northyorkharvest.com](http://www.northyorkharvest.com). Or consider joining us for a tour of our food bank, and learn about our services firsthand.

This fall season, thank you once again for helping us build strong neighbourhoods and nourish lives.

Sincerely,
