Board Discussion on New Initiative:

Request to bring forward the discussion of the possibility of bringing French Immersion to the school. This is a very preliminary discussion. After discussion with the parents in attendance it was decided that this would not be in the best interest of the school because of the strain that would be imposed on the resources within the school.

Report from the Chair:

March 27th is our Speaker's Night. A flyer was sent home and neighbourhood schools were notified.

Beverlee presented an update of the fund-raising initiative for the May 20th event. Volunteers will be needed at 12:00 pm to set up for the Silent Auction and Raffles. The list will be sent out for people to help secure donations for this event.

Closing Prayer:

Ms. Mudryj
