Report from the Chair:

Beverlee gave an overview of all elected executive positions. She also shared information regarding the frequency and length of our meetings. Because this is Beverlee's last year at St. Pat's it would be important to have a co-chair in order to 'train' for this position.

We will be hosting another Parent Involvement evening (ProGrant) in the spring. Please bring forward suggestions for guest speakers. As the money is earmarked for parent involvement, in the past we have invited parents from other communities to join us. This has been a successful and worthwhile initiative in the past for both parents and students.

Election of the Executive:

Co-chairs: Beverlee East
 Arlene Henry

Secretary: Narciso Erandio

Treasurer: Anne Marie Chin Fee

Treasurer's Report:

After monies have been allocated to the appropriate expenditure there will be a balance of \$1,200 which is to be used for clubs and teachers.

Closing Prayer:

Ms. Mudryj
