

ST. BRIGID'S CATHOLIC CHURCH

GRADE 12 GRADUATION PRAYER

Dear Lord,

Here we are the students, teachers, parents, families, and friends

Celebrating the achievements of the grade 12 graduation class 2020

from St. Patrick's High school.

This will be a graduation that came not as we wanted..., but tinted with a pandemic like never seen before in the last 100 years.

No big gatherings, no travelling, no family, and friends to celebrate at large...But all who know about our today's graduation are here with us spiritually present.

With them we thank You for our first stage in our academic studies.

Please, dear Lord protect and accompany us, that

we may continue our journey with the support of all

who have been our helpers and rejoice with our success.

This we ask through Christ our Lord.

Priest's Blessing: May God bless you all in the name of the Father, the Son, and the Holy Spirit. Amen.
