# **St. Rita Catholic School Newsletter**

Welcome to the 2017-2018 school year! I hope you had a great summer and that the students and their families are ready to return to a new school year. Our dedicated staff has been working hard to prepare for another amazing school year, building on the successes and accomplishments of last year. I encourage all parents to become closely involved with school life and to remember that when we work together the students derive the most benefit. We will work toward providing our students with a year filled with interesting and educational experiences that will challenge and stimulate them.

Please welcome the following new staff members to St. Rita Catholic School: Ms. V. Lasko, the Gr. 4/5 teacher, Mr. J. St. Pierre, the afternoon French teacher and Mr. J. Carvalho, an Educational Assistant. To make back-to-school a positive experience for all, I ask that you review the school routines, practices, and requirements noted in this newsletter and the student agenda.

As we welcome our students back to school in September, it seems fitting that this month's virtue is HOSPITALITY. Our teachers have been busy preparing their classrooms, gathering together resources, supplies and putting up bulletin boards that will invite the students back into a welcoming environment. Hospitality is about welcoming. Our quote for the month is from Matthew 25:40, "Whatsoever you do to the least of my people, that you do unto me". This month at St. Rita we will practise hospitality in our classrooms and in our school yard.

I look forward to the new year ahead with excitement as we work with you on building a safe and nurturing school environment where your child(ren) will continue to learn and grow in God's love. If you have any questions, concerns or suggestions throughout the year, do not hesitate to call. May God bless us and watch over us during this coming school year.

Respectfully,

**Waldo Aristizabal**  
Principal

## Safe Arrival Programme

Please contact the school by phone or written note or if your child is going to be late or absent. Leave messages with the office, not on the teachers' voice mail boxes. We are required to contact any parents who do not contact us and this saves us time and worry when we cannot get a hold of parents. We will call home if the school has not been notified.

## Attendance and Punctuality

Regular school attendance and punctuality are important for student progress. Children should be kept home only when they are ill. Appointments, whenever possible, should be arranged outside of school hours. Being on time for the start of class is important. The bell rings promptly at 9:00 a.m. and 12:45 p.m. Your child(ren) should be in the school yard by this time so that they can assemble with their peers and be involved in all activities from the beginning of class. Students who arrive late disrupt the class and must come to the office for a late slip.

On extremely cold and rainy days, students are asked to arrive at school *just before the bell*. Those students present at school will be permitted to enter the building at 8:30 a.m. On such days, the recess periods will be held indoors and those students who stay for lunch will be supervised in the building. Unless the weather conditions are particularly bad, cold weather alone does not warrant an early entry to the building or indoor recess. Appropriate dress is a requirement on such days.

## Appropriate Dress Code

Our students' well-being will continue to be a priority for both myself and the staff as we continue to follow the TCDSB Dress Code based on the principles of respect, safety, and diversity. A reminder that the Appropriate Dress Code at St. Rita includes the use of a white or navy blue shirt/blouse and a navy blue pant/skirt, **no denim**. A variety of clothing style can be purchased at retailers of your choice. Crested clothing with St. Rita's school emblem will be made available once again this fall.

## Permission Forms

Please read, sign and return the green permission forms sent home on the first day of school.

## Pizza and Subway Order Forms

Once again you will be able to pre-order pizza, Subway, and Pita Pit lunches. Forms will be sent home.

## Student Accident Insurance

You should have received accident insurance forms. This coverage is recommended by our Risk Management Department, particularly the dental coverage for students who play sports. Please mail these forms directly to the insurance company.

## Railway Safety

Parents, please remind students to stay off of railway property/lands. When crossing at "railway crossings" wait for barriers to go up. Stay clear of the railway barrier. Do not hang or touch the railway barrier.

We have been informed by the City of Toronto's Administrative Service Department that there will not be a crossing guard at the Osler Street railway crossing until further notice. They will provide the school with an update as soon as they can.

## Lunch at School

Lunch at school is a privilege for children who live far away from the school and/or for children who do not have anyone at home to supervise them. Children who stay for lunch are reminded to:

- Stay in their assigned seats.
- Use indoor voices.
- Seek permission/assistance from teacher or lunchtime supervisor.

**Please remember not to take your child off premises without informing an adult and then signing them out at the office first.** For safety reasons, Intermediate students whose parents have made arrangements to go out for lunch must, by 9:30 a.m. provide their teacher a note from home which:

- A. Is dated.
- B. Signed by a parent.

Intermediate students going out for lunch should always make arrangements to go out in pairs (**restricted to students in grades 7 and 8 only**). The school discourages the practice of students going out for lunch. Students will have to sign out at the office at 11:45 a.m. and then sign back in **no earlier** than 12:05 p.m. and no later than 12:40 p.m. Food is **NOT** to be brought back to school. In the interest of student safety, microwave ovens are not available to students.

## Special Services

As part of the TCDSB's goal of Fostering Student Achievement and Well Being, the Special Services department endeavours to support our special education students in achieving academic excellence and meeting the Ontario Catholic Graduate School Expectations. The department offers a variety of supports to students based on their need(s) and/or identification(s). For further information please visit the Special Services department link:

<https://www.tcdsb.org/ProgramsServices/SpecialEducation/Pages/default.aspx>

Parents/caregivers are reminded that if they require support in accessing the Special Services department link, they may ask the school principal for assistance. Alternately, for families who require access to a computer to visit the site, they may access an electronic device through the Toronto Public Library.

## Terry Fox Run

On Friday, September 29<sup>th</sup>, St. Rita School will participate in the 2017 Terry Fox Run. This year more than 4,000 schools across Ontario will be participating in the fight against Cancer. We at St. Rita are excited to participate and aid in Terry's efforts. During our preparations for the run we will reflect on Terry Fox's courage and determination in his fight to help find a cure for cancer.

Pledge forms will be given out to each student. The final day to submit pledge forms will be Monday, October 2<sup>nd</sup>. Students are encouraged to set a personal goal and record it on their pledge sheet. We will set a school-wide goal that we hope to achieve as well. Students can ask relatives and family friends for cash and cheque donations. Let's use this opportunity to come together as a school community and add our support to the fight against cancer!

## Anaphylaxis

As we begin another school year, we would like to inform you that St. Rita is an Allergen Aware School. Some children in our school have a severe life threatening food allergy to peanuts and nuts (anaphylaxis). This is a medical condition that causes a severe reaction to specific foods and can result in death within minutes. In order to ensure that our school is a safe environment for all students, **we ask that you only send foods with your children that are free from peanuts and other nut products.** Also, kindly avoid sending food for special occasions (i.e. birthday, Christmas, etc). There is no other way of controlling food which comes from home other than the specific and diligent awareness and action by parents. **Please help in ensuring the safety of our children by helping to keep St. Rita Catholic School a peanut and nut free zone.**

## Medical Conditions and Allergies

Please inform the school of any medical condition your child may have. Principals, teachers and support staff are not permitted to administer any type of prescription medication during the day, unless we have written signed authorization signed by the parent and doctor. The forms to dispense any medication must be updated yearly and are available from the school office. These forms will be kept on file at the school. School staff **will not** administer non-prescription medication. Students **must not** have medication with them in the classroom. All Students are required by law to be immunized.

## Personal Belongings

To avoid losses and disputes over ownership of lunch boxes, running shoes, and/or other belongings we ask that you write your child's name on all belongings. We have an acceptable user policy when it comes to electronics. For obvious safety and educational purposes, we ask that no cell phones, cameras, i-pods, expensive jewellery, hand-held games or any electronic gadgets be brought to school. Teachers may ask students to use their cell phones or other devices for instructional purposes. Cell phones, if brought to school for emergency purposes, are to be turned off and left in their schoolbag. Please note that the school is not responsible for lost items. If students bring their electronics to school, they are responsible for them. Parental support in this area is required and greatly appreciated. Please monitor your child's activity on the internet and the various social media sites. If students bully their classmates on any site, they will face consequences. Activity that occurs outside of school impacts the school climate and consequences will be imposed. Hockey sticks, baseball bats, and hard balls are not permitted at school. Students who bike to school are asked to lock them up on the fence adjacent to the laneway.

## Curriculum Night

Curriculum Night will be **Monday, October 2.** The evening will begin with a gathering in the gym at 6:30 p.m. Parents will then be invited to visit classrooms. Please plan to attend. Come out to meet your child's teacher.

Get acquainted with the curriculum, classroom/school expectations and events planned for the year. Parents are encouraged to attend this evening to show support for both the students and the staff. This evening is not intended to be for discussion of individual student progress.

## Chocolate Fundraiser

We need everyone's participation in our Annual Chocolate Fundraiser! The school assembly will take place on September 8th and chocolates will be sent home or picked up on September 11th. The fundraiser will run from September 11th until Thanksgiving Day weekend (October 9).

## The Dovercourt Boys and Girls Club

The Junction Triangle Clubhouse will be offering an after school program at St. Rita Catholic School. The program will be offered to Gr. 1 to 8 students from 3:30 p.m. to 5:30 p.m. This year the program will continue to be offered 5 days a week from Monday to Friday. For more information, contact Dovercourt Boys & Girls Club at 416-530-4233 and speak to Marco or Michelle.

## Parent Volunteers

Parent volunteers are always welcome at St. Rita Catholic School. If any parent is interested in becoming a parent volunteer, please contact the office. Approval of all volunteers must be obtained through the Principal. When volunteering at the school, it is expected that a parent will not work in the classroom of his/her own child. Such direct involvement places unnecessary pressure on both the parent and the child. Exceptions to this rule apply only to out of classroom excursions. All parents who serve as volunteers are expected to recognize the importance of confidentiality with respect to events and incidents which occur in the school. Events and incidents should not be discussed by volunteers in the community at large. Any parent who is serving as a volunteer in the school must have a Police Check completed and is also required to sign in at the office. If there are any questions, please do not hesitate to contact us at the school.

## Parent Engagement

TCDSB values the involvement of parents in the education of their children, and welcomes their participation in the lives of our school communities. Find out how you can get involved as a member of the **Toronto OAPCE** (Ontario Association of Parents in Catholic Education), or as a member of **Toronto CPIC** (Catholic Parent Involvement Committee). At the local level, check out the next meeting of your CSPC (Catholic School Parent Council).
