

Grade 6 -A Variety of Poems

I Made a Mistake

I went downstairs to get a cake.
I made a mistake and got a rake.

I went to play with Kurt's cat,
I made a mistake and played with a rat.

I went to the living room to turn on the lamp,
I made a mistake and went to camp.

RIDLET

**Sidney Crosby is very strong,
And he sometimes plays ping pong!
He loves to sing many songs.**

Couplet

**Who made these tiny holes in the cloth?
I think it was the furry little moth!**

TASTY

**What makes your taste buds tingle?
With a lick of a vanilla sundae?
What about the taste of chocolate chip
cookies in a glass of milk?
Or the taste of a nice grilled cheese sandwich?
How about the super duper yummy taste of pas-
ta, spaghetti, and meat balls?
My most favourite treat of all is ice cream cake
on my birthday.**

I Will Always Be There

I will always be there,
No matter where you are, no matter what you do,
I will always be there,
Standing next to you.

When you get stage fright,
When you try to go and hide,
Remember, I will always be there,
Standing by your side.

When you feel lost and confused,
And you don't know what to do,
Remember, I will always be there,
Standing next to you.

Even at the fair,
When you're scared to go on a ride,
Remember, I will always be there,
Standing by your side.

When you feel lonely and depressed,
When you feel weak and thin,
Remember, I will always be there,
Standing right next to your skin.

When you feel caught and stuck,
When you feel like you are in glue,
Remember, I will always be there,
Standing next to you.

When you feel lost and angry,
When you feel filled with rage,
Remember, I will always be there,
To help you turn the page.

When times get too difficult,
When you feel like you have no home,
Remember, I will always be there,
You will never be alone.

When you feel unwanted,
When you don't feel liked in anyway,
Remember, I will always be there,
To block out what they say.

Whenever you feel sad or confused,
When you feel lost from the start,
Remember, I will always be there,
To touch and heal your heart.
