My Dear Principal, Teachers, Students and Staff of St. Simon School.

Another School year is coming to an end, and everyone must be very excited for the summer holidays. This was a very blessed year, our grade two students received the First Communion, our grade seven students received the Confirmation.

Congratulations to all the students for your hard work and all that you have accomplished during this year. To the students who finished grade 8 and are now looking forward to their high school years, I would like to encourage you to keep growing in your faith, to keep Jesus in your hearts and work with discipline and dedication so that you can be ready to face any challenge in life. I wish you all much success.

To the teachers and staff, I want to express my sincere gratitude for all your support, I am truly happy to be able to work in partnership with so many leaders that lead and teach by the Gospel Values. Let us continue our task of building the kingdom of God through the children and growing together in faith and friendship during the next school year.

Many thanks to all, your enthusiasm and dedication, the work that you do and the role that you play enriches the life of our children and our community.

I look forward to seeing all of you every weekend during the celebration of the Holy Eucharist. I wish you all a blessed, safe and happy summer vacation.

Fr. Josué Vargas Lara
