

## **Investing in Our Schools**

Dear Parents and Neighbours:

You are invited to attend a public meeting to view and discuss plans for the proposed addition to **St. Ursula Catholic Elementary School**. This will take place on Wednesday, November 25<sup>th</sup> at 7 p.m.

This addition will allow us to eliminate the portables presently on the school site, renovate 4 existing teaching spaces, upgrade the administration area, and make the school accessible with the addition of an elevator. It will also provide two fully renovated kindergarten classrooms and a new playground for the children in the Full-Day Kindergarten program.

**MEETING DATE:            WEDNESDAY NOV 25, 2015**

**TIME:                        7:00 P.M.**

**LOCATION:                  ST. URSULA CATHOLIC SCHOOL – GYMNASIUM**  
**215 LIVINGSTON RD.**

The project architect, along with Toronto Catholic District School Board Facilities staff will be on hand to present the design and to answer questions.

Hope to see you there!

Yours truly,

George Danfulani  
Principal, St. Ursula Catholic Elementary School
