Re: St. Ursula Catholic School – Expanded Addition
Capital Status of the Project for October 2016

Capital Development continues to work on the expanded addition for St. Ursula. The status of the project is:

- Construction began in October 2016;
- Footings and foundation are underway;
- Unless there are unforeseen conditions that delay the construction, occupancy of the new addition is anticipated for September 2017;
- Renovations to the existing school will be carried out in the summer of 2017 following completion of the addition;
- Students will be relocated from the portables into the addition, when the construction of the addition and the renovations are complete and ready for occupancy.

Please share this information with your school community. Please also advise parents to check the Board website at

<http://www.tcdsb.org/schools/stursula/News/NewConstruction/Pages/default.aspx> for updated information on the project.

Yours truly,
