Re: St. Ursula Catholic School – Expanded Addition
Status of the Capital Project for April 2017

Capital Development continues to work on the expanded addition for St. Ursula Catholic School. The status of the project is as follows:

- Addition is watertight;
- Interior masonry complete;
- Exterior masonry veneer complete; exterior metal siding sub-structure underway;
- Mechanical and electrical rough-ins in progress;
- Interior partitions complete; painting 30% complete ;
- Rooftop mechanical units installed.
- Renovations to the existing school will be carried out in the summer of 2017, following completion of the addition;
- Unless there are unforeseen conditions that delay the construction, occupancy of the new addition is anticipated for September 2017;
- Students will be relocated from the portables into the addition, when the construction of the addition and the renovations are complete and ready for occupancy.

Please share this information with your school community. Please also advise parents to check the Board website at <http://www.tcdsb.org/schools/stursula/News/NewConstruction/Pages/default.aspx> for updated information on the project.
