CHRISTMAS JUBILEE

It's that time of year again when the families of St. Vincent de Paul Catholic School bring on the Christmas cheer with our annual tree and wreath sale, and jubilee! Our Christmas Jubilee will be held on **Saturday December 9th** from 11:00 a.m. to 3:00 p.m. We are planning a fun day which will include arts and crafts, a basket raffle, 50/50 draw, caroling, warm drinks and treats and a visit from our special guest from the North Pole. Pre-order your trees, wreaths and poinsettias and pick them up at the fair. Order forms are available in the office or visit www.stvincentdepaulevents.com to order on line. Orders are due by Thursday November 23rd.

ENHANCED PROGRAMMING

Parents are invited to join a conversation about Enhanced Programming for the school. The CSPC is soliciting parent community feedback on how to best spend fundraising money on quality additional educational opportunities for the students. In the past, the CSPC has invested in enhanced programming such as Learning Through the Arts, and continues to invest in programs like Scientist in the School and Little Red Theatre, among others. If interested, please email Bob Mackowycz at cspc.stvincentdepaul@tcdsb.org. Time and place for a meeting are TBD based on response. At the meeting we will 1) discuss specific ideas from the CSPC, 2) inquire as to other suggestions and 3) weigh the merits of various approaches.

SVDP SCHOOL PORTAL

We are currently working on updating the St. Vincent de Paul Catholic School Portal. Please go to the TCDSB website (www.tcdsb.org), select schools and under the alphabetical school directory tab scroll to St. Vincent de Paul C.S. Once you are at our school portal, the School Learning Plan 2017-2018 and the Safe Schools Plan 2017-2018 are located under the Safe Schools Plan tab. Additionally, under the What's New tab you will be able to find our weekly bulletin, and if you select the 2017-2018 tab to the left you will be able to access photos of our past two events. Please take a moment to visit as we continue to up-date the portal. Let's stay connected!
